

Therma-Tru Double Exterior Doors

Date: November 22, 2000

Revised:

North American Housing Corp. will offer 6068 double exterior doors as an option.

For ordering purposes, the doors are to be called out as:

Center Hinge

- One active and one stationary door
- Door hinges from the center post

Double Hinge

- Both doors operate, hinged from the jamb side
- Shipped loose for installation in field by builder due to racking problems
- One door will have a t-astrigal applied
- Handing is still required for the door to receive lockset
- Screens are not available for this door.
- Will not fit in some foyers without redesigning.
